Butter!

HOT PRODUCTS

By Megan Sicoli

Spreads are a fabulous way to spice up any meal! Jams, wine jellies and of course maple butter have all been helping innkeepers spice up their breakfast menus. Get your taste buds salivating! Here are some North American jam, jelly and maple butter companies to help you find your new favorite flavor!

Stonewall Kitchen

Creators of speciality food products since 1991, the owners of Stonewall Kitchen have dedicated themselves to bringing you gourmet food products, including jams. Now with over 6,000 wholesale accounts and nine retail stores, Stonewall Kitchen has so many wonderful flavors to offer including their Raspberry Peach Champagne jam, Wild Maine Blueberry jam, Strawberry Peach jam and Cinnamon Apple jelly! Started by two friends, Stonewall Kitchen has come a long way, but still they maintain their ideals of community, wholesomeness and an unspoiled beauty!

Maple Orchard Farms

Maple Orchard Farms have been making amazing Canadian maple products for 29 years. With a wide variety of maple products considered to be 'liquid gold,' their Maple Butter is something to try! There is no butter in this product, it is simply quality Canadian maple syrup whipped into a creamy spread. Maple butter isn't just good for toast according to Maple Orchard farms, it is also good for things like, scones, biscuits, crepes, French toast and especially on multigrain bagels! Maple Orchard Farms is proudly Canadian and offers worldwide shipping!

The Great Canadian Gift Company

'Celebrating all things Canadian,' is what The Great Canadian Gift Company is all about! While enjoying a pint overlooking the water in the Maritime provinces, a conversation was sparked on having a greater appreciation of the beautiful country we call Canada. The result? The Great Canadian Gift Company is a business offering exclusively Canadian products. One product specifically that has our taste buds perking up is their delectable Maple Butter, which can be used as a spread, filling, frosting or sauce! Shipping throughout Canada, the United States and some international destinations.
